New claims 67-78 are herein added.

During the interview the claim rejections in the Office Action mailed on July 6<sup>th</sup> including the Mullersman, Fujimura, Uchida, and Hamill references were discussed. It was agreed that if Applicant amends the claims to clarify the invention the rejections based upon the cited references should be withdrawn.

In view of the above, Applicant submits that claims 1-10, 14-33, 35-43, and 45-61, are in condition for allowance for which a notice thereof is respectfully requested.

Consideration for new claims 67-78 is respectfully requested.

The Examiner is respectfully invited to telephone the undersigning attorney if there are any questions regarding this Amendment or this application.

Applicant does not acquiesce to any assertion made by the Examiner not specifically addressed herein. In addition, the amendments contained herein are made to expedite allowance of the case and Applicant reserves the right to pursue the originally-filed and other claims in continuation applications without prejudice.
